MANUEL CERVANTES CÉSPEDES

Nace en México D.F. en 1977.

Titulado como arquitecto por la Universidad Anáhuac y miembro del Sistema Nacional de Creadores de Arte, funda MANUEL CERVANTES CÉSPEDES / CC ARQUITECTOS en 2004. En 2006 desarrolla dentro de la oficina un área dedicada a proyectos urbanos y de transporte masivo, e inicia la investigación en torno a los Centros de Transferencia Multimodal (CETRAM) y los Desarrollos Orientados al Tránsito (DOT).

Ha realizado trabajos para instituciones públicas de la República Mexicana como el INFONAVIT, y proyectos urbanos y arquitectónicos para varios países del continente Americano. En su labor docente ha impartido talleres y conferencias en varias universidades de México, Estados Unidos, España y Portugal.

Born in Mexico City in 1977.

Graduated as an architect from the Anahuac University, joined the National System of Art Creators, and opened the MANUEL CERVANTES CÉSPEDES/CC ARQUITECTOS office in 2004.

In 2006, he set up a section in the office dedicated to urban and mass transport projects, and began researching multimodal transfer centres (CETRAM) and transit-oriented developments (DOT).

He has received commissions from Mexican government institutions such as INFONAVIT, and urban and architectural projects in several Latin American countries. His teaching work has included workshops and lectures at several universities in Mexico, the United States, Spain and Portugal.

SELECCIÓN DE PREMIOS

- 2006 Primer premio concurso público Terminal Multimodal Azteca. Estado de México
- 2009 Primer premio concurso público Intercambiador de Transportes El Rosario

KARAMUK KUO

Karamuk Kuo Architects es una oficina con sede en Zurich y creada en 2010 por Jeannette Kuo (1978, Indonesia) y Ünal Karamuk (1978, Zurich).

Jeannette Kuo obtuvo su título de arquitecta en la Universidad de California en Berkeley (1999), un Máster de Arquitectura con Honores en la Universidad de Harvard (2004), y un Máster de Estudios Avanzados en la ETH de Zúrich (2010). Después de trabajar con Barkow Leibinger Architects en Berlín y Architecture Research Office en Nueva York, comenzó a impartir clases en 2006 en el marco del Programa Docente de Becas Maybeck de la Universidad de California en Berkeley, para después continuar su actividad docente en el MIT (2007-2009) y en la EPFL de Lausana (2011-2014). Desde 2016, es Profesora Asistente en la Escuela de Diseño de Harvard.

Ünal Karamuk estudió arquitectura en la ETH de Zúrich. En 2002, cursó un semestre de intercambio en la Escuela de Diseño de Harvard y regresó a Suiza para completar su diploma en la ETH (con el profesor Christian Kerez). Hasta 2008 trabajó en Nueva York en las oficinas Skidmore Owings and Merrill (SOM), REX Architecture y Office for Metropolitan Architecture (OMA). De 2009 a 2012 impartió clases en la ETH de Zúrich, en la Cátedra de Christian Kerez.

Karamuk Kuo Architects, based in Zurich, was established in 2010 by Jeannette Kuo (b. 1978, Indonesia) and Ünal Karamuk (b. 1978, Zurich).

Jeannette Kuo received her Bachelor of Arts degree in Architecture at the University of California, Berkeley (1999), her Master of Architecture with Distinction at Harvard University (2004), and her Master of Advanced Studies at ETH Zurich (2010). After working for Barkow Leibinger Architects in Berlin and Architecture Research Office in New York, she started teaching in 2006 with the Maybeck Teaching Fellowship at UC Berkeley and went on to teach at MIT (2007-2009) and at the EPFL Lausanne (2011-2014). Since 2016, she is Assistant Professor in Practice at Harvard Graduate School of Design.

Ünal Karamuk studied architecture at the ETH Zurich. In 2002, he studied for an exchange semester at Harvard Graduate School of Design before returning to complete his diploma at the ETH with Professor Christian Kerez. Until 2008 he worked at the New York offices of Skidmore Owings and Merrill (SOM), REX Architecture, and Office for Metropolitan Architecture (OMA). From 2009 to 2012, he taught at the ETH Zurich Chair of Christian Kerez.

TED'A ARQUITECTES

Irene Pérez Piferrer (Barcelona, 1976) es arquitecta por la Escuela de Arquitectura del Vallés (ETSAV-UPC, 2001). Jaume Mayol Amengual (Mallorca, 1976) es arquitecto por la Escuela de Arquitectura del Vallés (ETSAV-UPC, 2000) y doctor arquitecto por la UPC (2010). Ambos estudiaron también en la Escuela de Roma Tre (1999) y tienen dos hijos: Aina y Biel.

Ted'A arquitectes han sido invitados como jurados y conferenciantes en diferentes universidades internacionales como la Cornell University en Ithaca (Nueva York), la Accademia di Architettura di Mendrisio (Suiza), la Kingston School of Art (Londres), la ETSA Madrid, la Lund Universitet (Suecia), la KTH de Estocolmo (Suecia), la School of Architecture del University College de Dublin (Irlanda), la Fakultät für Architektur TU de Munich (Alemania), la ETSA Barcelona, la HEIA de Fribourg (Suiza), entre otras. Jaume Mayol ha impartido clases en la Escuela de Arquitectura del Vallés (Barcelona), en la IE School (Madrid) y en la ETSALS (Barcelona). Asimismo Irene Pérez y Jaume Mayol fueron directores de uno de los *workshops* de la Porto Academy en 2017 (Portugal).

El trabajo de Ted'A arquitectes formó parte del Pabellón Español de la Bienale di Architettura di Venezia 2016 (ganador del León de Oro), del Pabellón Catalanobalear de la Bienale di Architettura di Venezia 2012 y de la exposición itinerante 'Materia Sensible: Jóvenes Arquitectos Catalanes, 2010-2012'.

Irene Pérez Piferrer (Barcelona, 1976) has an Architecture Degree from the Vallés School of Architecture (ETSAV-UPC, 2001). Jaume Mayol Amengual (Mallorca, 1976) has an Architecture Degree from the Vallés School of Architecture (ETSAV-UPC 2000) and a Ph. D. from the Catalonia Polytechnic University (UPC, 2010). They both also studied at the Rome Tre School (1999) and have two children: Aina and Biel.

Ted'A architects have been jury members and visiting lecturers at several international universities including Cornell University in Ithaca (New York), Accademia di Architettura di Mendrisio (Switzerland), Kingston School of Art (London), ETSA Madrid, Lund Universitet (Sweden), KTH Stockholm (Sweden), Architecture School, University College, Dublin (Ireland), Fakultät für Architektur TU, Munich (Germany), ETSA Barcelona and HEIA, Fribourg (Switzerland), amongst others. Jaume Mayol has taught at the Vallés School of Architecture (Barcelona), IE School (Madrid) and ETSALS (Barcelona). Irene Pérez and Jaume Mayol were Directors of one of the workshops at the Porto Academy in 2017 (Portugal).

The work of Ted'A arquitectes was exhibited in the Spanish Pavilion at the 2016 Venice Architecture Biennale 2016 (winner of the Golden Lion), the Catalan-Balearic Pavilion at the 2012 Venice Architecture Biennale, and the itinerant exhibition 'Sensitive Matter: Young Catalan Architects, 2010-2012'.
